Hi Christophe, Carlos,

As our case study paper is one chapter of my thesis, our school requires me to obtain permission from each co-author who is not on my committee to reproduce the material as part of my thesis. Could you email me your permission on that? The deadline to upload my thesis is due this weekend, grateful if you can reply to me before then.

Paper info:
‘Observed performance and analysis of SEM cavern construction in downtown Los Angeles’ (10.1061/(ASCE)GT.1943-5606.0002639)

Thanks,
