Same for me Haotian,  
I hereby give you permission to reproduce any material as part of your thesis.  
Again, great job and congratulations!

Regards,

C

**Subject:** Copyright permission for co-authored Case Study paper

Hi Christophe, Carlos,

As our case study paper is one chapter of my thesis, our school requires me to obtain **permission** from each co-author who is not on my committee to reproduce the material as part of my thesis.  
Could you email me your permission on that? The deadline to upload my thesis is **due this weekend**, grateful if you can reply to me before then.
