Grow Employable Professional Skills with Teach@Mines

Teaching develops public speaking confidence, collaboration skills, and leadership experience. Engineers who can explain tough concepts and train others are invaluable in every corporate setting. Whether you're leading a technical team, onboarding clients, or teaching customers to use cutting-edge tools, the ability to educate makes you the person everyone turns to.

Teaching experience demonstrates well-roundedness and a commitment to professional growth. Additionally, adding education training makes a resume stand out in competitive STEM fields! Take a Teach@Mines course to grow highly marketable and transferable skills, including time and project management, organization, effective communication, and interpersonal intelligence.

To learn more or to schedule an advising appointment, contact the Teach@Mines team at teach@mines.edu.

Double Your Career Options - Become A Licensed Teacher!

Teach@Mines offers teacher licensure in Secondary Science (grades 6-12), Secondary Mathematics (grades 6-12), Middle Grades Mathematics (grades 6-8), and K-12 Computer Science. Licensure can be pursued through one of three pathways: by adding our minor, pursuing a Bachelor of Science with a focus on STEM teaching, or through a Master in STEM Education. **Read more about how you can add a teaching license to your degree [here](#).**

Teach@Mines is pleased to offer [informative documents](#) to help you explore our program. To schedule an advising appointment, contact the Teach@Mines team at teach@mines.edu.

Scholarship Opportunities

\$500 Noyce Classroom Experience Award – Apply by 9/10

The Teach@Mines Noyce Classroom Experience Award seeks to encourage passionate Mines students to explore K-12 teaching by providing paid classroom experiences. Students will spend time in local schools, gaining first-hand experience of the profession, and will earn a \$500 stipend for successfully completing SCED 262/562 K-12 Field Experience.

The deadline to apply for Fall 2025 funding is 11:59p on September 10. Read more about the award and apply here: <https://www.mines.edu/teacherprep/noyce-program/>

Job Opportunities
