SAIL's July Newsletter

RSO Re-Registration for 2024-2025 is open!

The Office of Undergraduate Studies is excited to share that their TRAIL program has a new software and app (OreConnect) that we will be using for all RSOs.

This app will make it easier for you to:

- Stay informed about Mines events
- Engage in various activities and events across campus

OreConnect also makes it easy to make social connections and get personalized recommendations.

In Fall 2024, OreConnect will be available to all undergraduate students at Mines. By then, you will also be able to unlock the ability to collect a record of your extracurricular learning achievements, one you can share with prospective employers and internship hosts.

As a student leader you will use the browser URL to manage events, your RSO, and all processes associated with your RSO. That address is <https://oreconnect.mines.edu/>. You will be able to find events and send messages through the app, and this is what your group members will use to find out what is happening on campus.

****Follow the steps below to download the app and start exploring!****

1. Use the following links to get started with OreConnect:

Apple App Store URL: <https://apps.apple.com/app/oreconnect/id6471041421>

Google Play Store URL: <https://play.google.com/store/apps/details?id=com.novalsys.mines>

2. Sign in using the Mines SSO.

3. Check out events, explore the app's features, and start enjoying the benefits!

4. The app will be fully functional by Fall, and all events will be posted here for students to find

What you need to do to re-register

- Review Bylaws - SAIL requires bylaws to be reviewed yearly and submitted with your re-registration form. You can review the SAIL-Sample-Bylaws 2024-2025 school year here. There are changes to the bylaws from SAIL so please make sure you review and add these changes to your own. If the required changes are not made, your re-registration will be denied. If you have any questions on these, please email audrey.weber@mines.edu
- Submit Re-Registration forms on OreConnect. Visit this [link](#), search for your RSO, click "Group Re-Registration", and fill out the form.
 - Note: When the form asks for 10 members, you can put down any 10 members from your organization, except your president and treasurer
- Attend Fall Summit on September 7th, 2024. Once registration is open, every organization must send at least one representative to Fall Summit. More info on this will be provided soon!

Move in 2024

Mines 2024 Move-In is scheduled for Saturday, August 10 and Sunday, August 11, 2024 from 8am to 4pm and we are looking for volunteers to welcome the class of '28!

If you are interested, please follow [this link](#) to sign up to be on our volunteer listserv for this summer. We will provide all volunteers with a free t-shirt and lunch, please know that preferred shirt sizes will be available on a first-come-first serve basis.

Residence Life thanks you for your ongoing support - we truly could not do this without you and hope that you'll consider paying it forward so our incoming class can have the same welcome you all did!

More information will follow regarding the training and protocols of Move-In, thank you for your support!

For more information, send email to: logan.thurnauer@mines.edu

Hello from the Mines Counseling Center!

We hope you all are enjoying your summer plans and activities and giving yourselves a much-needed break before returning to campus in August!

A couple of reminders for this summer:
