T@M Mixer with TEA - 1/24 - CK 282 - 4:30-5:30

Come to learn about the STEM Teaching Minor, Licensure, and Master's Program from other students in the program!

Teach@Mines offers courses, advising, and certification pathways to help you explore the teaching profession. In addition, Teach@Mines offers a minor in Teaching, a BS in Engineering with a STEM Teaching focus area, and a Masters in Engineering with a STEM Teaching to prepare students for teaching careers at any level, from elementary to university-level instruction. Come to this meeting to speak with students in the program and to learn more about the opportunities open to you.

Student Focus Groups:

We will be conducting two student focus groups on February 2nd from 2-3pm and from 3:30-4:30pm on the Mines campus. Please only attend one of the focus groups offered. We are looking for feedback on visual resources so we will show you photos, posters, or flyers and ask you for your input. You will receive a \$20 Amazon gift card for your time!

Please [RSVP here](#) for the location of the focus group.

Teach@Mines Career Fair:

Please join us for a Teach@Mines Career Fair! We will have HR directors from different local

school districts at the event to answer all your questions about teaching in their district and the hiring process. You will be able to talk one-on-one with the districts you are interested in and if you're looking for a teaching job soon, bring your resume! If you have any interest in teaching, this will also be a great chance to learn more!

What: Teach@Mines Career Fair

When: Friday Feb 10th from 5p-6:30pm

Where: CK140/150
