

Permission Request Form for RSC Material

To request permission to use material from material published by The Royal Society of Chemistry (RSC), please complete and return this form.

From: Name: Malavikha Rajivmoorthy E-mail: mrajivmoorthy@mines.edu
Address: 1500 Illinois St Golden CO 80401

I am preparing the following work for publication:

Article/Chapter Title Neighborhoods and Functionality in Metals
Journal/Book Title PhD Dissertation - Tour de Science of Grain Boundary Engineering
Editor/Author(s) M. Rajivmoorthy, T. R. Wilson, M. E. Eberhart
Publisher _____

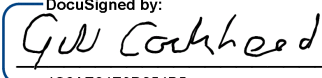

I would very much appreciate your permission to use the following material:

Journal/Book Title Physical Chemistry Chemical Physics
Article/Chapter Title Neighborhoods and Functionality in Metals
Editor/Author(s) M. Rajivmoorthy, T. R. Wilson, M. E. Eberhart
DOI 10.1039/d1cp04787f
Year of Publication 2022
Description of Material Manuscript was accepted for publication on 6th May 2022
Page(s) _____

I will acknowledge the original source as specified at the <https://rsc.li/permissions>.

Signed: Malavikha Rajivmoorthy  Date: 17th May 2022

The Royal Society of Chemistry hereby grants permission for the use of the material specified above in the work described and in all subsequent editions of the work for distribution throughout the world, in all media including electronic and microfilm. You may use the material in conjunction with computer-based electronic and information retrieval systems, grant permissions for photocopying, reproductions and reprints, translate the material and to publish the translation, and authorise document delivery and abstracting and indexing services. Please note that if the material specified above or any part of it appears with credit or acknowledgement to a third party then you must also secure permission from that third party before reproducing that material. The Royal Society of Chemistry is a signatory to the STM Guidelines on Permissions (available on request).
